House League Rules

16+ (Midget Rules)

16+ (Midget) Divisions

Distance between bases:	90 ft.
Distance to pitching machine:	60 ft. 6 inches
Official length of game:	Seven (7) innings (6 th & 7 th Open)

- 1) Catchers cannot be substituted unless for reason of injury.
- 2) A pitcher may pitch a maximum of three consecutive innings. With the exclusion of Senior Division, all pitchers must sit out the number of consecutive innings needed to bring balance to the number of innings played by all teammates.
- 3) A pitcher must be substituted for if he hits any batters two times in one inning or any three batters during the game or the same batter twice during the game. A pitcher will be ejected from the game if he intentionally throws at the batter.
- 4) The defensive team will consist of one catcher, one pitcher, one first baseman, one second baseman, one third baseman, one shortstop, and up to three outfielders; nine players in total.
- 5) In Senior Division only, all roster players will bat.
- 6) See General House League Rules as all General Rules also apply.
- 7) **HOUSE LEAGUE EXTRA INNINGS IN PLAYOFFS ONLY.**
We will be using the International Baseball Rule. The Away team will start the inning with one out and the player that was the last out from the previous inning on second base. Same will apply for the home team.
